

Dear Church Family

With Guthrie County positivity rates tracking downward and now below the 15% threshold, Pastors Dennis and Jane are happy to announce we are opening our doors for worship beginning this **Sunday, January 17!**

We are proceeding with great caution, and appreciate your support of our in-person worship protocols:

1. Use the restroom before you come.
2. Arrive by 9:20am.
3. Wear a mask covering your mouth and nose at all times.
4. Social distance at least six feet from others not in your family.
4. The ushers will seat you at a distance from others and will release you.

Online virtual services are continuing, so feel free to join us LIVE each Sunday morning at 9:30am via the Panora United Methodist Church Facebook page!
